RE: Notice & Praecipe, Power of Attorney Cancellation.

Greetings:

You will please take notice that I recently discovered that there is a power of attorney Consent attached to the above numbered social security account which, if it had been fully disclosed to me at the time I was induced to authorize the opening of said account in my name, would have dissuaded me from doing so. It is my further understanding that the power of attorney aspect is not necessary to the performance of the contract between the parties of said social security account. For these reasons and on that basis, I am hereby repudiating, nunc pro tunc, the said power of attorney Consent effective the date of opening of said account. You will also forthwith please notify any and all interested parties of this Elector status change an action as well as direct/order that all forms, cards, documents and Instruments having my signature in connection with said account be amended to well and truly reflect this change. No answer to this instruction is required, but acknowledgment of compliance would be appreciated.

In the event that you are unable or unwilling to comply with this instruction, I shall alternatively require of you evidence of your Article VI Oath of Fidelity as well as the policy number, name and address of the underwriter of your Bond.

Respectfully,

Debra Guglielmo
New York Elector

NOTICE AND DEMAND FOR LAWFUL MONEY

Be it now known to any and all parties forevermore that I am Debra Ann Guglielmo (Me) and the PERSON known to others as DEBRA ANN GUGLIELMO, have made, and still do make, my demand for lawful money: now, *ab initio* and *nunc pro tunc* (fraud by omission) for any and all dealings and transactions. This demand is made pursuant to law that binds all parties who are under and obligated to recognize the remedy found in Section 16 of the Federal Reserve Act of 1913, now codified at Title 12 United States Code §411. This demand renders Me, my substance, my exclusively held claims and possessions, and any other property or belongings held by Me exempt, immune, and apart from the claim(s) of any parties who bring debt-action *in assumpsit* (aka national debt/government debt as money) against Me and mine from within the false and presumptive notion that I am an admitted and volunteer signature endorser of the Federal Reserve's private credit.

Notwithstanding any other provision of law or contractual obligations; NO contract, nor shall any provision thereof, be construed to act or operate in any way or manner to eliminate, diminish, supersede, or otherwise modify any provision contained within this Notice and demand. This Notice and Demand is now on and for the lawful record and is within the "exclusive original cognizance" of the United States by and through the Judiciary Act of 1789 Chapter 20, Page 77 'saving to suitors' in diversity of citizenship [Title 28 USC §1333] as I am outside the scope of any federal district *suae potestate esse*. Any and all parties claiming to preside, act or operate from within that realm are duly advised.
