

**Affidavit of Obligation  
Commercial Lien  
(This is a verified plain statement of fact)**

**Maxims:**

All men and women know that the foundation of law and commerce exists in the telling of the truth, the whole truth, and nothing but the truth.

Truth as a valid statement of reality is sovereign in commerce.

An un rebutted affidavit stands as truth in commerce.

An un rebutted affidavit is acted upon as the judgement in commerce.

Guaranteed – All men shall have a remedy by the due course of law. If a remedy does not exist, or if the existing remedy has been subverted, then one may create a remedy for themselves and endow it with credibility by expressing it in their affidavit. (Ignorance of the law might be an excuse, but it is not a valid reason for the commission of a crime when the law is easily and readily available to anyone making a reasonable effort to study the law.)

All corporate government is based upon Commercial Affidavits, Commercial Contracts, Commercial Liens and Commercial Distresses, hence, governments cannot exercise the power to expunge commercial processes.

The Legitimate Political Power of a corporate entity is absolutely dependent upon its possession of Commercial Bonds against Public Hazard, because no Bond means no responsibility, means no power of Official signature, means no real corporate political power, means no privilege to operate statutes as the corporate vehicle.

The Corporate Legal Power is secondary to Commercial Guarantors. Case law is not a responsible substitute for a Bond.

Municipal corporations which include cities, counties, states and national governments have no commercial reality without bonding of the entity, its vehicle (statutes), and its effects (the execution of its rulings.)

Except for a Jury, it is also a fatal offense for any person, even a Judge, to impair or to expunge, without a Counter-Affidavit or any commercial process based upon an Affidavit.

Judicial non-jury commercial judgments and orders originate from a limited liability entity called a municipal corporation, hence must be reinforced by a Commercial Affidavit and a Commercial Liability Bond.

A foreclosure by a summary judgment (non-jury) without a commercial bond is a violation of commercial law.

Governments cannot make unbonded rulings or statutes which control commerce, free enterprise citizens, or sole proprietorships without suspending commerce by a general declaration of martial law.

It is tax fraud to use Courts to settle a dispute/controversy which could be settled peacefully outside of or without the Court.

An official (officer of the court, policeman, etc.) must demonstrate that he/she is individually bonded in order to use a summery process.

An official who impairs, debauches, voids or abridges an obligation of contract or the effect of a commercial lien without proper cause, becomes a lien debtor and his/her property becomes forfeited as the pledge to secure the lien. Pound breach (breach of impoundment) and rescue is a felony.

It is against the law for a judge to summarily remove, dismiss, dissolve or diminish a Commercial Lien. Only the Lien Claimant or a Jury can dissolve a commercial lien.

Notice to agent is notice to principal; notice to principal is notice to agent.

PUBLIC HAZARD BONDING OF CORPORATE AGENTS All officials are required by federal, state, and municipal law to provide the name, address and telephone number of their public hazard and malpractice bonding company and the policy number of the bond and, if required, a copy of the policy describing the bonding coverage of their specific job performance. Failure to provide this information constitutes corporate and limited liability insurance fraud (15 USC) and is prim-a-facie evidence and grounds to impose a lien upon the official personally to secure their public oath and service of office.
