I, chi/elizabeth, a true woman living upon the private and exclusive "promised land" (allodium/DNA) produced through a consensual union of love and labor by my biological mother (dorothy) and father (william), and physically standing now upon the soil of Ohio (1803 Ohio Constitution), do hereby affirm and validate that all of the following facts are true based upon my own personal knowledge and experience:

I have no record, evidence, or proof that my mother or father had ever – with full disclosure and consent – abandoned, deserted, donated, granted, sacrificed, pledged, promised, committed, offered, staked, or entrusted any of their biological property, i.e. their time, space, mind, body (DNA), spirit, product, name, history, birthright, and natural appurtenances, to any public, particular, or foreign Church, State, Order, Society, Union, Guild, Government, or Municipality, and believe they had not.

I have no record, evidence, or proof that my mother or father had ever – with full disclosure and consent – abandoned, deserted, donated, granted, sacrificed, pledged, promised, committed, offered, staked, or entrusted any of their biological property, i.e. their time, space, mind, body (DNA), spirit, product, name, history, birthright, and natural appurtenances, to any public, particular, or foreign financial, religious, political, military, or legal vehicle, vessel, design, device, person, or book, and believe they had not.

I have no record, evidence, or proof that my mother or father had ever – with full disclosure and consent – abandoned, deserted, donated, granted, sacrificed, pledged, promised, committed, offered, staked, or entrusted any of their biological property, i.e. their time, space, mind, body (DNA), spirit, product, name, history, birthright, and natural appurtenances, to any public, to the aid and comfort of any enemy of the United States, and believe they had not.
