

Affidavit of Truth, Notice of Current Living Status and Standing of the Live Born Man: kenneth- marvin: marks

Kenneth-marvin: marks is domiciled in the Continental United States of the sovereign State of Florida living among the land and not in the 10 mile square radius of Washington, DC.

Whoever has eyes, let them see! Whoever has ears let them hear! Let all those present and future be witness to the following record.

Jurisdiction of all matters of the KENNETH MARVIN MARKS estate is under the sole Jurisdiction of a Land Domain Constitutional Probate Court (as opposed to the corporate-fiction codified probate Court) whereas any other court jurisdiction, any attempt to be “executor de som tort” is hereby denied. Any and all consent taken by fraud, coercion, and by any other despicable means is hereby denied and/or rescinded.

The undersigned Live born Man, **kenneth-marvin: marks and Occupant of the Office of the Executor of the kenneth-marvin: marks estate**; as a live born man, does solemnly swear, declare and state as follows:

- This live born man is competent to state the matters set forth herein.
- This live born man has knowledge of the facts stated herein.
- All the facts herein are true, correct and complete, admissible as evidence and if called upon as a witness, this “live born man” with standing upon the land will testify to their veracity.
- This live born man is not and has not been lost at SEA/SEE, nor is he deceased.

Hear yea, Hear yea

Take notice: To all fictions, conveyance entities, corporations, and non-living entities (of the SEA/SEE) and/or their representatives without standing upon the land. This is a declaration of a living Birth, of the Live Man commonly known upon the land and among the living as **kenneth-marvin: marks**, living born son of the “physical union” between the “physical corporeal father” and his “physical corporeal mother” of the

house/clan/family of Marks of which both have physical standing upon the land. Who is not lost at SEA/SEE, nor has abandoned/Vacated the office of the Executor for the KENNETH MARVIN MARKS, estate. As **kenneth -marvin: marks** has returned from the dead, no office, fictional entity, corporation, person, or officers possess any lawful rights or consent to operate as administrators/occupying the office of the Executor for the KENNETH MARVIN MARKS estate other than the rightful Occupant of the Executors Office.

This affidavit-declaration of life is given to all in order to establish, signify, proclaim, and verify the status of this live man and to eliminate/deny all presumptions by any fiction, corporate or private, and any alleged claimed jurisdiction without standing upon the land.

For as God is our Creator, the giver of spiritual life and the creator of man in body and form, and whereas man is the creator and giver of life to the paper fiction known as the Person, Corporation, Citizen, and other non-living transmitting entities of fictional nature. Man cannot rule over the Creator any more than a created fictional paper entity can rule over its creator the living born Man... "kenneth-marvin: marks" is a living, corporeal, breathing, live born man with footprints in the sand and therefore is not/cannot be under the jurisdiction of a man created fiction...

Lawyers, Judges, Court Clerks, and all fictional corporate/non-corporeal entities--- When you address birthright Citizens of the Continental United States in the foreign jurisdiction of the Federal United States or that of a Federal State, and deliberately confuse living corporeal people with corporate franchises merely named after them, you commit peonage. This results in press-ganging land assets into the international jurisdiction of the sea, a crime outlawed worldwide for 200 years. Mischaracterizing the identity or citizenship status of a birthright Citizen of the Continental United States is also a crime under the Geneva Protocols of 1949, Volume II, and is in violation of the Universal Declaration of Human Rights (UDHR) a treaty signed in Paris on 10 December 1948 General Assembly resolution 217 A ... Anyone claiming to be a Live born member of the Continental United States having a valid proof of birth within the Continental United States must be treated/recognized as such (A Live Born Man/Woman and not a fiction entity.).

This is to testify and notify all persons, corporations, fictions that the Live born Man **kenneth-marvin: marks** is not and has never freely consented to be the surety of the created fiction or the trustee of the KENNETH MARVIN MARKS estate created by and through the Cestui Que Vie Trust Act of 1666 as verified by the fiction entity document known as the "Certificate of Birth" issued by the Federal fiction "State of Pennsylvania" and Registered by the fiction agency created by and subordinate to the fiction State of Pennsylvania. The Live Born Man, rightful Executor of the KENNETH MARVIN MARKS, estate does not, has never, and would never knowingly or by conscious design, give

consent to be the surety of the state created fiction in any variation or form.

This is to notify all persons, Judges, Lawyers, corporations, fictions and/or their representatives: that any and all contracts made without the live man's knowing and active consent, whereas consent was obtained through subterfuge, coercion, deceit, manipulation, falsifying of the facts, non-disclosure, adhesion, hypothecation, et. cetra; whereas the live man would have normally rejected any unconscionable contract and would not have consented to any such contracts: whereas any and all contracts are hereby declared to be null and void ad infinitum.

This physical body that I (kenneth-marvin: marks) reside within, given to this one by the great creator of all which is God, is a reflection of the spirit whereas the spirit does not belong to or stand under any earthly corporation, religion, or fictional organization.

This body is the vehicle for the living spirit to operate, interact and interface within this domain and physical dimension and cannot be and is denied to be claimed by any fiction, government, religion, corporation, species, et cetra.

The combination and temporary unification of my free living spirit and the free living body given to me by the Creator, constitutes the domain of a free living corporeal entity upon this created earth.

I kenneth-marvin: marks am a living being with an incorruptible body which is my possession by natural birth and my vehicle during this lifetime upon this earth until called by God who is our creator.

As one spirit can touch another spirit; one body can also touch another corporeal body and all material substances within this created domain. This live spirit and live body unified as one, has standing upon the land as such; when it walks upon the land, physical footprints are left behind proving physical standing against any fiction that has no footprints of standing and can never have footprints of standing upon the land, nor can a fiction without spirit (corporation or court) physically touch or stand in judgment of a Live Born Man intentionally and specifically without his full knowledge and consent.

Know all by these facts:

- A fiction created by a fiction or by other living men does not have a spirit,
- A fiction created by a fiction or by other living men does not have standing upon the land,
- A fiction created by a fiction or by other living men cannot speak,
- A fiction created by a fiction or by other living men does not have claim to the living,

- A fiction created by a fiction or by other living men does not have jurisdiction over the living,
- A fiction created by a fiction or by other living men cannot have jurisdiction or authority over a creator of fiction,
- A fiction by itself is not animated and has no actual life-force of its own as it is a creation of the dead
- A fiction by itself cannot place an autograph, it cannot reproduce, it cannot breath, it cannot speak on its own
- A dead fiction entity can only be created without life therefore it cannot ever be equal or greater than the live born man; in the same way that the spirit of man was created by his creator God. Man does not and cannot have control, authority or jurisdiction over his spirit creator. Therefore a man created fiction cannot have jurisdiction over the live born man.
- No living man can claim or presume superiority, authority, or dominion over another living man as they are equals in standing upon this created earth.
- No other living entity, not created or born of this earth, can presume superiority, authority or dominion over this living man as all living entities are created by the creator and are of equal standing in the eyes of the creator (regardless of their level of technology or biological determination within this plane of existence).
- In like fashion, a fiction therefore cannot presume or assume authority or control over its creator or the living man.
- All presumptions of fictions, statute tribunals, and any other claims are hereby denied, challenged, demurer, embargoed, excluded at this and all times in the present and future.

I am not a creature, animal, surety, fiction, chattel, slave, 14th amendment person/federal citizen, or is subject to, or is of the SEE (SEA). **I do not live in Washington DC.**

This fact is for all to take notice from the greatest to the lessor of all living men. Having been brought forth into this domain by living natural birth and whose physical body entered this world through my mother, whereas her body came from her mother Ad infinitum; "A die confectionis" to the first birth manifested by our Creator. That I am the live born son of my live born father who also had standing having been received into and bestowed with the pedigree of the family/clan "marks" upon this earth.

Let no man or fiction attempt by force, by fraud, by ill-conceived contract, by adhesion, or hypothecation, or by any other despicable means attempt to mask, control, destroy, or subvert this live born living man into unwilling or unknowing consent to give up his God given natural freedoms, natural rights, and liberties. This live born man's God given rights, natural rights, liberties and standing cannot be controlled, taken, or stolen by

subversion, subterfuge, bad faith, novation, subrogation, deceit, pretense, superseded, abolished, or through, non-consent, fraud or any other means, and placed under the authority and jurisdiction of any dead man, non-spirit filled or non-animated fiction known as a transmitting entity, person, citizen, corporation, Ad infinitum.

Let all men know from this point forward to know and acknowledge that kenneth-marvin: marks is indeed a live born man, currently not deceased or lost at SEA/SEE, who has proven standing upon the land.

Note: The name of the live born man as given is based upon the name given to the live born child by the live parent into the name of the family or the clan known in this case as the Family of Marks. This is not associated in any way with the statutory created fiction or estate with the same name.

Natural rights are those Inalienable rights given by God and are not contingent upon the laws, customs, or beliefs of any particular culture or government, and therefore universal, unalienable, and inalienable (i.e., rights that cannot be repealed or restrained by human laws).

IN WITNESS WHEREOF I hereunto set my hand on this ___ day of January, 2019 and hereby certify all the statements made above are true, correct and complete.

All Liberties and rights are hereby expressly reserved
