Re: Notice and Praeipce, Power of Attorney Cancellation.

Greetings,

You will please take notice that i recently discovered that there is a power of attorney Consent attached to the above numbered social security account which, if it had been fully disclosed to me at the time i was induced to authorize the opening of said account in my name, would have dissuaded me from doing so. It is my further understanding that the power of attorney aspect is not necessary to the performance of the contract between the parties to said social security account. For these reasons and on that basis, i am hereby repudiating, nuc pro tunc, the said power of attorney Consent effective the date of opening said account.

You will also forthwith please notify any and all interested parties of this Elector status change and action as well as direct/order that all forms, cards, documents and Instruments bearing my signature in connection with said account be amended to well and truly reflect this change.

No answer to this instruction is required, but acknowledgement of compliance would be appreciated. In the event you are unable or unwilling to comply with this instruction, I shall alternatively require of you evidence of your Article VI Oath of Fidelity as well as the policy number and name and address of the underwriter of your Bond.

Respectfully,

Mark Sleet
Massachusetts Elector
