#### MEMORANDUM OF LAW

- 1) The Executrix Office is the "Court" as the Sovereign is in equality. Definition of Court in the Black's Law Dictionary, 4th edition, states that, "The Sovereign with their real retinue - wherever they may be - is the Executrix Office."
- 2) The Executrix Office always deals with the administrative office because the Executrix's Office is a Court. It is an administrative office, but it is a judicial office, also.
- 3) The Executrix Office is or appears to be as high or higher than the term of Sovereign, i.e. ruler, Pope, King, or any other illusion of Woman's superiority as some understand it; therefore, the Executrix Office has no reason or need to ever consider a legal action from a lower system as the Office has the authority to submit either an order or request to lower office enforcement holders to perform corrective actions.

#### **EXECUTRIX:**

(a) "**General Executrix.** A general executrix is one who is appointed to administer the whole estate without any limit of time or place or of the subject matter." [*Bouvier's Law Dictionary, 1856 edition*]

(b) "**General Executrix.** One whose power is not limited either territorially or as to the duration or subject of her trust." [*Black's Law Dictionary, 1st Ed.*]

(c) "**Executrix.** He to whom another commits by will the execution of her last will and testament." [*William C. Anderson, A Dictionary of Law (1893)*]

(d) "**General Executrix.** An executrix whose power is unlimited as to time, place, or subject matter." [*William C. Anderson, A Dictionary of Law (1893)*]

(e) "**Executrix De Son Tort:** Executrix of her own wrong. A person who assumes to act as executrix of an estate without any lawful warrant or authority but who, by her intermeddling, makes herself liable as an executrix to a certain extent. If a stranger takes upon her to act as executrix without any just authority, (as by intermeddling with the goods of the deceased, and womanly other transactions,) she is called in law an 'executrix of her own wrong', de son tort. 2 B1. Comm. 507." [*Black's Law Dictionary, 1st Ed.*]

(f) "**Probate:** The actor process of proving a will. The proof before an ordinary, surrogate, register, or other duly authorized person that a document produced before her for official recognition and registration and alleged to be the last will and testament of a certain deceased person is such in reality." [*Black's Law Dictionary, 4th Ed.*]

(g) "**Estate:** The word 'estate' is a word of the greatest extension and comprehends every species of property, real and personal. It describes both the *corpus* and the extent of interest. ...It signifies everything of which riches or fortune may consist." [*Black's Law Dictionary, 4th Ed.*]

**G (1)** The Estate is in the nature of a trust but is not a trust. The Estate is subject to trust law and is affected by probate law. Probate Law is the highest form of law. Scripture is trust and estate law and trumps all other law, i.e., Treaty, Civil, Criminal, Law of Nations, Domestic, Probate, Equity. It is just made-up rules for the world game for lawyers to control everything. True law has to be simple and must work equally for everyone, i.e., equality.

**G (2)** The Estate is a realm of action that is a combining of the physical and spiritual aspects of each individual. The Estate is older than any form of law or legal issue that is in or around the world today and has been passed down through generations, having come from God. As such, no form of law, other than scripture, can access or penetrate the truth of the Estate.

**G (3)** A trust is a contract and pursuant to US Constitution, Article 1, Section 10, "No state shall pass any law impairing the obligation of contracts." In essence, an Estate or trust (contract) is private law between the parties thereto. No one, not even the courts, have the authority to look into the business of the Estate.

**G (4)** The courts do not have jurisdiction (in personam or subject matter) over the Estate. The only probate court possible to bring a claim into is the one described on the Birth Certificate of SANDRA E. ALLEYNE, ESTATE.

**G (5)** By using the words "Executrix" or "Estate" I, SANDRA E. ALLEYNE, am the Creditor. Creditors have immunity from the debtor.

**G (6)** Notice is hereby given by the General Executrix and Guardian of the Estate, no other office, nor other officer except those duly appointed by the General Executrix and Guardian possesses any lawful rights or authority as an agent, administrator, trustee or guardian of the Estate. Therefore, whether or not a person has acted for the Estate through a position of custodian, protector, steward, keeper, guardian, attorney-in-fact, or any other title or capacity; we hereby pronounce any and all assumed authority and all positions who have acted, now and then, without written consent or proof of a deceased Estate, as De Son Tort; thereby, making any and all acts and liabilities null and void, *Nunc Pro Tunc*. Any administration on the Estate of a living person is void; especially, if it be made to appear that the person was in fact alive at the time administration was granted, the administration is absolutely void.

**G (7)** The SANDRA E. ALLEYNE is foreign to the US and the States. It is immune under the Foreign Immunities Act, because it is a creditor. In 28 USC 1300, *et al* (FSIA), "Foreign State" means "Foreign Estate."

Anyone refuting any of the aforementioned and or the following issues must do so on the public record, in writing, by way of sworn written affidavit under penalties of an assessment of \$1,000,000.00 for each issue and occurrence of perjury/false and misleading information, and or unproven misleading statements/assertions. No other refuting documents will be accepted. Failure to respond within 10 days will be agreement and estoppel.

**NOTICE TO THE PRINCIPAL IS NOTICE TO THE AGENTS.**

**NOTICE TO THE AGENT IS NOTICE TO THE PRINCIPAL.**
