502 MARKET STR. GREENWOOD
DELAWARE 19950

In Re: TATIANA IVANOVNA PEACOCK. DISCOVER BANK : MARK GRAF Acct # ending in 0785
This constitutes an **Official Notice** in accordance with the Fair Debt Collection Practices Act and
the Truth In Lending Act, that I hereby

Dispute the debt in the above referenced account.

It has come to my attention that there may have been some accounting irregularities in this account which
have adversely affected me. In reviewing the account it has come to my attention that fraud and/or other
violations of public policy may have occurred in the operation of this account, therefore, I will be
conducting discovery to determine the true facts in this matter. This constitutes the exhaustion of my
administrative remedy, in accordance with the Administrative Procedures Act, as concerns the above
referenced matter.

This discovery process has been presented under Notarial Seal for the purpose of certifying the
admissions, confessions and stipulations of the Parties, to create a public record thereof, via the issue and
filing of an **Administrative Declaratory Judgment, by Notarial Protest**. Said Administrative Declaratory
Judgment is issued under statutory authority and under the authority of the Secretary of State, acting as an
agent of the Department of State, and carries the power and authority as if issued by the highest court in
the land. Said Judgment constitutes res judicata, stare decisis, collateral estoppel and judgment by estoppel.

Please take note that this discovery process has been served under Notarial Seal and **valid
subpoena** establishing your **mandatory obligation** to timely respond and/or rebut the following, point by
point and line by line, verified true, correct and complete, signed, sworn to and notarized in affidavit form
and to provide certified copies of the requested documentation.

Please respond and/or rebut the following, point by point and line by line, in affidavit form, and provide
documentary evidence to support your claim.

-
- It has come to my attention that since 1933, when Franklin D. Roosevelt took all of the gold and silver out of circulation, that we have no currency of value or substance with which to pay a debt. Our economic system operates on credit and debt. If we have no currency of value or substance in circulation today, then one must wonder, what did the Bank "loan" me? It is unlawful for the to bank loan me their credit.

● So, *what did this phone company loan me?*

What value/substance did the phone company loan me?

Please provide the evidence that the phone company loaned me anything of value.

-
- At the closing, I placed my signature on a *Promissory Note* which I gave to the company *in the exchange*. Said Promissory Note had no value prior to my placing my signature on it. *Did it not?* There are no other signatures on said Promissory Note, therefore, it was my signature that gave the value to the *Promissory Note* which I gave to the company in the exchange. *Was it not?*

-
- Since 1933 the United States has operated upon the good faith and credit of the American people, not the good faith and credit of the Banking industry. *Has it not?* The government, including the government sanctioned corporations, institutions and banks, have no authority to create money. Only *We the American people* can create money. *We the American people* are the originators of the money and are therefore the Creditors. *Are we not?*

-
- When I placed my signature on the Promissory Note, giving value to the Note, I was the originator of the funds and, therefore, the Creditor of the transaction. *Am I not?*

-
- Ohio Code section 1707.01(b), and other similar state codes, define a *Promissory Note* as a *security*. Title 12 section 1813 (L)(1) states that when one deposits a Promissory Note it becomes a *cash item*. Ohio Code at section 1707.261 states that I have a right to restitution and rescission if the bank sells an *unregistered security*.

-
- It has come to my attention that the Promissory Note which I executed is an

unregistered security and that it may have been sold, traded or assigned in violation of state statutes. Please provide me with a certified copy, front and back, of the original Promissory Note which I signed and presented to the company in this transaction and the lawful authority which authorized the Bank to engage in the sale of an unregistered Security, in this transaction. Your failure to provide me with documentary evidence of the lawful authority shall constitute your stipulation that no lawful authority exists and your tacit confession to the unlawful sale of an unregistered security in violation of state statute.

It has also come to my attention that shortly after the closing that the Bank deposited said Promissory Note as a cash item and ledgered said Note as a liability in the bank's Payables Account and identified ME as the Creditor in the account. **Did they not?**

It is also my understanding that the company, in accordance with GAAP, ledgered the "debt", as an asset in the company's Receivables Account and identified ME as the debtor in the account. **Did they not?**

It is further my understanding that because I failed to see through the bank's carefully designed illusion and instruct the bank to make the financial adjustments to zero the account in the set-off, the bank posted their liability/my asset in their Payables Account as an off balance sheet entry and after a period of time the funds were claimed as abandoned funds. **Were they not?**

It is also my understanding that the international accounting system called Basel II and/or Basel III have been fully implemented; that off balance sheet accounting is unlawful, and that all banks and lending institutions must be in compliance therewith. **Are they not? Please provide documentary evidence that you are Basel II & III compliant.**

UCC 3-104(a) & (c) and UCC 105(a)(c) makes it clear that I was the Issuer, Drawer, Maker of the Note that I executed, giving it value, at the closing, while UCC 8-102(12),(15),(9) and UCC 8-105 leaves no doubt that I am the holder of the entitlement right to the funds. I am the Creditor and entitlement holder with the authority to issue Entitlement Orders as concerns this transaction and/or this account. **Am I not?**

The Bank registered the "debt" but did not register the "Note", therefore, the "Note" is an unregistered security in accordance with the UCC and International Banking Law. **Is it not?**

Please provide me certified copies of the accounting of the Promissory Note that I executed at the closing, to wit: the Accounts Receivables and Accounts Payables ledgers of this Promissory Note. Please provide me a certified copy, front and back, of the original Promissory Note as well as all

assignments of the Note.

I request, in the nature of a Demand in Recoupment, that the company merge the Accounts Payables with the Accounts Receivables Account to zero the account in accordance with GAAP and Public Policy and/or provide me with documentary evidence that authorizes the company to conceal said funds for the purpose of dispossessing me of said funds. Your failure herein shall constitute your admission that no valid authority exists and that the company's operation of this account is unlawful and fraudulent.

Your failure to timely respond and/or rebut the foregoing, point by point and line by line, in Affidavit form, shall constitute your admission and stipulation to the stated claims and establish the evidence as a matter of fact. Your failure to respond, a partial response, or a non-responsive response shall constitute a dishonor and your agreement and stipulation to the facts as set forth herein. Your failure to respond in affidavit form, signed, sworn to and notarized and/or your failure to provide certified copies of the requested documentation shall constitute you a dishonor and shall result in the issue of a Declaratory Judgment, by Default, certifying the stipulation and agreement of the Parties. Said Declaratory judgment, by Notarial Protest is as binding on the Parties and their privies as if issued by the highest court in the land and constitutes res judicata, star decisis and an estoppel.

Respondent's failure to respond shall constitute your agreement that the process is free of error and/or omission, lawful or otherwise, having had the opportunity to respond and provide documentary evidence in affidavit form, and choosing to demur and stipulate to the facts as set forth by Claimant creating a binding contract between the Parties.

Your dishonor constitutes an estoppel and your voluntary waiver of all rights and remedies that may otherwise exist and your agreement to confess judgment in this matter.

NOTICE: If no ‘lawful determination’ in writing regarding my offer to pay; isn’t disputed with any lawful verified facts supporting your rejection of my payment; will leave me to believe that my offer is, in fact a lawful and valid form of PAYMENT. [Not interested in a Company’s Policy;] which has shown to be a direct conflict with our rights as authorized representatives , only the “LAW” regarding forms of Instruments in the settlement of debts.

Mr. Mark Graf, as I want to resolve this matter as soon as possible, I am initiating this Private-Administrative Remedy to determine such matters and I agree to continue making payment available predicated upon your ‘proof of claims. For your connivance and the showing in my good faith; on your behalf, I have placed a **Registered PROMISSORY NOTE, Note No.LAW-1015532462-002, With a Total Value of [\$2441.00]** that is in the body of this document for you to deposit, as a **FULL Credit/PAYMENT** to your Corporation, once you have verified all claims below. However, If this process is out of your scope of expertise, please take the payment regardless and send me a receipt, showing complete satisfaction of the Invoice that has been accepted for value; due to the mere fact that I am unable to pay this with Lawful Money, my lawful process of payment has been granted by the UNITED STATES of AMERICA, until gold is reinstated back into the economy, This Note shall be deposited at your Financial Institution for credit against the alleged debt obligation.

Mr. M. FRAG; The necessary ‘**Proof of Claims**’ are set below, questions - 1 through 24, Claims are to be answered point by point, Every claim has the ability to be answered, verified and or researched by you, this has to addressed along with a Forensic Audit of account. If not; it leaves me to believe that you are fully aware of possible fraud against men and women in this STATE, and that you are possibly involved in the fraud, after the delivery of this letter, all collection actions are to cease until these issues are FULLY resolved.

- **Notice:**
- **As mentioned earlier; A Company’s Policy in Payment, Isn’t a reason to reject a Lawful Settlement for PAYMENT that’s been established over 80 years ago . Case and Point: your company isn’t setup to take Gold as a PAYMENT, correct? But if gold was delivered to your Establishment you would find a way to accept such, why? Because it is Lawful Money. Your**

policy doesn't state your company accepts lawful money, so if there's no contract that stipulates lawful money, our only remedy is the acceptance in different forms of Negotiable Instruments. Instruments; are not limited to just Federal Reserve Notes, but rather all denominations of Notes that are forms of credit and payment, this has been this way, due to the Bankruptcy Act. The Government has taken away the ability for Companies to demand a particular form of payment, since Gold was no longer in the equation; therefore it was and still is against Public Policy for you to reject any lawful remedy due to no [Lawful Money] to pay with. Black's Law 5th Edition Page#. 133 States that: All Notes are intended to Circulate as Money, this law as well as several other documented laws was created AFTER the abrogation of the Gold clause in 1933, and Public law 48,48 stat 112. And I can guarantee that there hasn't been a law to date that you can document and or dispute. Reasons why is because Lawful Money is the only action that can level the playing field. And until it has been reinstated back into the economy, we must abide by the LAW, in dealing with Negotiable Instruments. Just because you're not use to it, doesn't mean it isn't law, for ignorance of the Law, is no excuse in the Law. It's against the Law, when you demand a particular form of payment, House Joint Resolution, June 5th 1933. It's against the law for one to be in subornation, it's against the law when you ignore UCC 3-603, (a) If tender of payment of an obligation to pay an instrument is made to a person entitled to enforce the instrument, the effect of tender is governed by principles of law applicable to tender of payment under a simple contract. (b) If tender of payment of an obligation to pay an instrument is made to a person entitled to enforce the instrument and the tender is refused, there is discharge, to the extent of the amount of the tender, of the obligation of an indorser or accommodation party having a right of recourse with respect to the obligation to which the tender relates.

R.S., 71 et seq. LSA-C.C, Art. 2139 Black's Law 5th Ed Pg#133.

"The court held the under 2-511(2), tender of payment is sufficient when it is made by means current in the ordinary course of business, unless the seller demands payment in legal tender. Here, Nygaard spoke to Continental several times after receipt of the sight draft and never requested payment in legal tender. Payment to extend the lease was due by January 4th, 1988 and the rejection of the sight draft did not occur until January 8, 1998. Nygaard rejection was thus untimely and tender of sight draft was sufficient to extend the lease.
- **PROOF OF CLAIM** that undersigned, (Lawrence-Jason: Porter) as the authorized representative of the Debtor name [TATIANA PEACOCK] does not have the standing or capacity to accept for value the offer/contract/presentment and discharge the same via Registered General Note/Bond, Choses in Action, Chattel Paper, Bill of Exchange or other appropriate commercial paper for discharge via the remedy provided by Congress – HJR-192 of June 5, 1933.

General acquiescence or non-response by Agent MARK GRAF or the (DISCOVER BANK), LLC to provide the above 'Proofs of Claim' will constitute your agreement and formal acceptance. You will have by your non-response to state a claim upon which relief can be granted otherwise shall operate as general acquiescence relative to this presentment. You will have admitted there is no valid Claim of Action arising via contract and/or compelling the undersigned into an unconscionable contract and that

there was no meeting of the minds in respect to the alleged contract.

You will have formally accepted each and every fact herein as they operate in favor of the undersigned, due to your silence and estoppel is in effect, your non-response in the above **Proof of Claim** forfeits the Instrument that would have satisfied the entire debt obligation. **However; If you feel that you must take the instrument for payment because this is out of your scope and comprehension and expertise; I will grant it, as long as a [receipt] for the FULL amount of \$2441.00 be mailed to above address.**

You admit your non-response to bring forth '**Proof of Claim**' in support of a '**clean hands doctrine,**' '**full disclosure,**' '**good faith dealing,**' and as to the **FAIR DEBT COLLECTIONS PRACTICES ACT**, as it may apply to your presentment in regards to this alleged transaction/contract/ as referenced above.

There, presumption will be taken in regards to your refusal, failure, default and dishonor, admission and confession of injury and damage and failure to state a claim, that you, (DISCOVER BANK), LLC, this '**Conditional Acceptance**' becomes the security agreement under commercial law, or in the alternative, you agree and stipulate that the undersigned can only discharge the demand payment letter/bill/presentment/Judgment, etc., with a Bill of Exchange or other commercial paper and that you or (DISCOVER BANK), LLC will accept said 'instrument' as tendered to discharge the debt under necessity.

Or if the previous 'instrument' (Registered General Bond/UCC-3 Assignment/Set-Off) was tendered and not accepted, you agree that the matter/account/debt/Judgment is discharged as an operation of law in tender of payment and/or bankruptcy.

Due to the time sensitive nature of this private matter, under necessity, you are to respond with '**Proof of Claim**' within **10** days, plus three (3) days grace granted by return service by Certified-Priority-Return-Mail to the undersigned's address and to the Third Party's address below. If any negative actions are charged against the Undersigned or the Undersigned's property after you have received said Note as PAYMENT, and been given fair and acceptable time to clear up any misspoken or misinterpreted statements that may or may not have been made by me in my **Proof of Claim/ Conditional Acceptance**, I will seek Judgment for the same amount of the Note, against you. Your silence in this matter of **Proof of Claim** grants me the Authority to be awarded Judgment against you, along with this attached file being sent to the Clerk of Superior Court.

Should you fail or refuse by non-response to provide '**Proof of Claim**' within the time specified in this private matter, general acquiescence and acceptance will be taken on your part as formally exercised (performed) pursuant to your silence.

This agreement shall have the

affect of an instrument under

Without Prejudice (UCC 1-308)

This is a Notice of Fee Schedule and Remedy for Protection from Federal / State / County / City/ Municipal/Corporation Employees. I, Tatiana Ivanovna of the family Peacock, holder of the office of the People in the state known as State Florida or in any other state, am hereby, as a gesture of peace, giving proper notice to the STATE OF STATE Florida or any state / corporation, to the UNITED STATES CORPORATION, and to all municipal corporations and other Corporations of the following:

As a peaceful woman desiring to avoid conflict and live lawfully with all of my freedoms, I am providing you with this Fee Schedule and Remedy for Personal Protection from Federal / State / County / City / Municipal / Corporation Employees as a courtesy to you and as a remedy should you decide to trespass upon Me or my family. Failure to know or obey any/all of your thousands of corporate regulations does not constitute a crime absent a victim, damaged property, or fraud (A.K.A. *corpus delecti*).

If you should face a jury, you should know that the jury has a sworn duty to judge the Law and the facts, and the jury can provide just remedy for the People. In every criminal prosecution, it is necessary to establish the "*corpus delecti*" (i.e., the body or elements of the crime). "The *corpus delecti* consists of two elements- namely, (1) the injury or loss of harm; and (2) a criminal agency causing them to exist." (*People v. Frey, 165 Cal. 140, 146 [131 P. 127], People v. Lopez, etc.*) Please note that this self-defense Notice of Fee Schedule and Remedy for Personal Protection from Federal / State / County / City / Municipal/ Corporation employees is just and modest and well below the precedent set by *Trezevant v. City of Tampa* wherein the damages established were \$25,000 for 23 minutes of unlawful arrest. This particular remedy calculates to more than \$1.5 million per day. Here is my modest Fee Schedule for basic trespass to be considered to be considered by a lawful jury of the People. Lawyer fees and other fees (including applicable late fees) are not included in the following Fee Schedule:

- one Troy ounce of .999 pure gold (or its equivalent in Federal Reserve Notes) per hour for any of my time consumed in detention, imprisonment, or attempts by any

law enforcement officer, judge, magistrate, corporate agent, and/or citizen to establish their statutory jurisdiction upon Me or my family without my expressed, written consent;

- one Troy ounce of .999 pure gold (or its equivalent in Federal Reserve Notes) per hour for violating any of my unalienable rights or any of my family's unalienable rights under any and all circumstances by any law enforcement officer, judge, magistrate, corporate agent, and/or citizen;
- one Troy ounce of .999 pure gold (or its equivalent in Federal Reserve Notes) per detention initiated by any law enforcement officer, judge, magistrate, corporate agent, and/or citizen;
- my body's weight in .999 pure gold (or its equivalent in Federal Reserve Notes) for the taking of my life. This lawful paper is to be honored by the People of the fifty states and the People of the United States for the protection of the People on the land known as any of the fifty states which make up the union known as the United States of America. This lawful paper must be honored in any court within any of the fifty states which make up the union known as the United States of America.

The United States Supreme Court has stated in "*U.S. v. Cruikshank*" (92 U.S. 542 at 551) that between the People of the United States, any resident within any state, or any other national that there need be no conflict between any of them. The powers which one possesses, the other does not. They are established for different purposes and have separate jurisdictions. Together, they make one whole and furnish the People of the United States with a complete government, ample for the protection of all of their rights at home and abroad. It may sometimes happen that a "person" is amenable to both jurisdictions for the same act. It is the natural consequence of a citizen which owes allegiance to two sovereignties and claims protection from both.

The citizen cannot complain because he has voluntarily submitted himself to such a form of government. The opinion in this case is 100% correct as long as one is referring to the People of the United States. Not I, my partner, nor my sons or daughters are of the UNITED STATES. We are of God, the Almighty Creator. Let it be clear that a people is not a person, and a person is not a people. True sovereignty is within the People who have all rights, but citizens, on the other hand, are subjects (by their own voluntary choice) of the state government and of local and federal government corporations in exchange for privileges and rights. Let it be clear that not I or any people of my family are persons / citizens / employees / subjects of any corporation which may, under color of law, act as a legal government. Let it be clear that we have only one Sovereignty, and that Sovereignty is God.

LAW OF NATURE

The Law of Nature is that which God, the Sovereign of the world, has prescribed to man not by any formal promulgation but by the internal dictate of reason alone. It is discovered by a just consideration of the agreeableness or disagreeableness of human actions to the nature of Man, and it comprehends all the duties which we owe either to the supreme being, to ourselves, or to our neighbors as reverence to God, self-defense, temperance, honor to our parents, benevolence to all strict adherence to our engagements, gratitude, and the like. In the Constitution for the United States, we find the 11th article, Amendment 9: "The enumeration in the constitution of certain rights shall not be construed to deny or disparage others retained by the People."

Affected parties and people wishing to dispute the claims and truths made herein or make their own claims upon Me must respond within twenty-one (21) days after service of this Notice of this action and request a Common Law court to empanel a Common Law Jury of twenty-five (25) indigenous, free men to hear their case against Me. All responses must be signed and witnessed no later than twenty-one (21) days from the date of original service as attested to by way of certificate of service.

Failure to notify Me and failure to register a dispute against this lawful Notice made herein will always result in an automatic default judgment and permanent, irrevocable estoppel by acquiescence, barring the bringing of charges under any statute / regulation / act or legal action against Me, my family, my guest, or another People. Failure to honor this lawful notice will make each of the People acting as federal / state / county / city / municipal / corporation employees liable for the sum of five ounces of .999 pure gold or its equivalent in Federal Reserve Notes plus my fee schedule, and such sum will be required to be paid to Tatiana Ivanovna of the family Peacock upon your receipt of the Invoice and by its assigned due date.

DEBTOR hereby indemnifies Secured Party Creditor against losses incurred as a result of all claims of debts or losses made by any and all persons against the commercial transactions and investments of DEBTOR. The condition of this bond is that Secured Party covenants to do certain things on behalf of DEBTOR as set forth in the attached Commercial Security Agreement of the same date and executing parties. DEBTOR covenants to serve as a Transmitting Utility to assure beneficial interest in all accounts established and managed by the UNITED STATES that all goods and services in commerce are available to or conveyed from DEBTOR to Secured Party, whichever is appropriate.

To avert losses of vested rights in the present or future collateral that is the subject of the attached Commercial Security Agreement, DEBTOR agrees to make available to Secured Party Creditor such accounts established by intent of the Parties, by operation of law and/or as constructive trusts, to hold proceeds arising from assets belonging to DEBTOR and administered by the UNITED STATES or its subdivisions, agents, or affiliates. Pursuant to existing laws of the UNITED STATES and the agreement of the parties of the attached Commercial Security Agreement, Secured Party Creditor is authorized to assign such funds from said accounts as are necessary to settle all past, present, and future public debts incurred by DEBTOR on behalf of the Secured Party Creditor.

DEBTOR, without the benefit of discussion or division, does hereby agree, covenant, and undertake to indemnify, defend, and hold the Secured Party Creditor harmless from and against any and all claims, losses, liabilities, costs, interests, and expenses including, without restriction, legal costs, interests, penalties, and fines previously suffered or incurred or to be suffered or incurred by Secured Party Creditor in accordance with the Secured Party Creditor's personal guarantee with respect to loans or indebtedness belonging to DEBTOR, including any amount that DEBTOR might be deemed to owe a public creditor for any reason whatsoever. Secured Party Creditor shall promptly advise DEBTOR of all public claims brought by third parties against the present or future property of DEBTOR, all of which is covered by the attached Commercial Security Agreement up to the indemnification amount declared herein, and to provide DEBTOR with full details of said claim(s), including copies of all documents, correspondence, suits, or actions received by or served upon DEBTOR through the Secured Party Creditor. Secured Party Creditor shall fully cooperate with discussion, negotiation, or other proceedings relating to such claims.

This bond shall be in force and in effect as of the date that it is signed and accepted by the Parties and provided that the Secured Party Creditor may cancel this bond and be relieved of further duty hereunder by delivering a thirty (30) day written notice of cancellation to DEBTOR. No such cancellation shall affect the liability incurred by or accrued to Secured Party Creditor prior to the conclusion of said thirty (30) day period. In such event of a notice of cancellation and in the event that the UNITED STATES reinstates its constructive claim against the collateral, DEBTOR agrees to reissue the bond before the end of the thirty (30) day period for an amount equal to or greater than the above value of the attached Commercial Security Agreement unless the Parties agree otherwise.

LIEN

This agreement constitutes an International Commercial Lien on all property of DEBTOR / INDEMNITOR on behalf of and for the benefit of the Secured Party Creditor, Indemnatee, in the amount of \$100,000,000.00 (one hundred million dollars in U.S. minted silver eagles of .999 fine silver). This lien will expire at the moment that Indemnatee expires or when this lien is satisfied by Indemnatee.

MEMORANDUM OF LAW

- The Executor Office is the “Court” as the Sovereign is in equality. Definition of Court in the Black’s Law Dictionary, 4th edition, states that, “The Sovereign with their real retinue -wherever they may be – is the Executor Office.”
- 2) The Executor Office always deals with the administrative office because the Executor’s Office is a Court. It is an administrative office, but it is a judicial office, also.
- 3) The Executor Office is or appears to be as high or higher than the term of Sovereign, i.e. ruler, Pope, King, or any other illusion of Man’s superiority as some understand it; therefore, the Executor Office has no reason or need to ever consider a legal action from a lower system as the Office has the authority to submit either an order or request to lower office enforcement holders to perform corrective actions.

EXECUTOR:

(a)“**General Executor.** A general executor is one who is appointed to administer the whole estate without any limit of time or place or of the subject matter.” [*Bouvier's Law Dictionary, 1856 edition*]

(b)“**General Executor.** One whose power is not limited either territorially or as to the duration or subject of his trust.” [*Black's Law Dictionary, 1st Ed.*]

(c)“**Executor.** He to whom another commits by will the execution of his last will and testament.” [*William C. Anderson, A Dictionary of Law (1893)*]

(d)“**General Executor.** An executor whose power is unlimited as to time, place, or subject matter.”[*William C. Anderson, A Dictionary of Law (1893)*]

(e)“**Executor De Son Tort:** Executor of his own wrong. A person who assumes to act as executor of an estate without any lawful warrant or authority but who, by his intermeddling, makes himself liable as an executor to a certain extent. If a stranger takes upon him to act as executor without any just authority, (as by intermeddling with the goods of the deceased, and many other transactions,) he is called in law an ‘executor of his own wrong’, de son tort. 2 B1. Comm. 507.” [*Black’s Law Dictionary, 1st Ed.*]

(f)“**Probate:** The actor process of proving a will. The proof before an ordinary, surrogate, register, or other duly authorized person that a document produced before him for official recognition and registration and alleged to be the last will and testament of a certain deceased person is such in reality.”[*Black’s Law Dictionary, 4th Ed.*]

(g)“**Estate:** The word ‘estate’ is a word of the greatest extension and comprehends every species of property, real and personal. It describes both the *corpus* and the extent of interest. ...It signifies everything of which riches or fortune may consist.” [*Black’s Law Dictionary, 4th Ed.*]

G (1) The Estate is in the nature of a trust but is not a trust. The Estate is subject to trust law and is affected by probate law. Probate Law is the highest form of law. Scripture is trust and estate law and trumps all other law, i.e., Treaty, Civil, Criminal, Law of Nations, Domestic, Probate, Equity. It is just made-up rules for the world game for lawyers to control everything. True law has to be simple and must work equally for everyone, i.e., equality.

G (2) The Estate is a realm of action that is a combining of the physical and spiritual aspects of each individual. The Estate is older than any form of law or legal issue that is in or around the world today and has been passed down through generations, having come from God. As such, no form of law, other than scripture, can access or penetrate the truth of the Estate.

G (3) A trust is a contract and pursuant to US Constitution, Article 1, Section 10, “No state shall pass any law impairing the obligation of contracts.” In essence, an Estate or trust (contract) is private law between the parties thereto. No one, not even the courts, have the authority to look into the business of the Estate.

G (4) The courts do not have jurisdiction (in personam or subject matter) over the Estate. The only probate court possible to bring a claim into is the one described on the Birth Certificate of TATIANA IVANOVNA PEACOCK, ESTATE.

G (5) By using the words “Executor” or “Estate” I, Tatiana Ivanovna Peacock, am the Creditor. Creditors have immunity from the debtor.

G (6) Notice is hereby given by the General Executor and Guardian of the Estate, no other office, nor other officer except those duly appointed by the General Executor and Guardian possesses any lawful rights or authority as an agent, administrator, trustee or guardian of the Estate. Therefore, whether or not a person has acted for the Estate through a position of custodian, protector, steward, keeper, guardian, attorney-in-fact, or any other title or capacity; we hereby pronounce any and all assumed authority and all positions who have acted, now and then, without written consent or proof of a deceased Estate, as De Son Tort; thereby, making any and all acts and liabilities null and void, *Nunc Pro Tunc*. Any administration on the Estate of a living person is void; especially, if it be made to appear that the person was in fact alive at the time administration was granted, the administration is absolutely void.

G (7) The ALL CAPS NAME is foreign to the US and the States. It is immune under the Foreign Immunities Act, because it is a creditor. In 28 USC 1300, *et al* (FSIA), “Foreign State” means “Foreign Estate.” Anyone refuting any of the aforementioned and or the following issues must do so on the public record, in writing, by way of sworn written affidavit under penalties of an assessment of \$1,000,000.00 for each issue and occurrence of perjury/false and misleading information, and or unproven misleading statements/assertions. No other refuting documents will be accepted. Failure to respond within 10 days will be agreement and estoppel.
